

REMINGTON ST BRIDGE - ABUTMENT 1 WORK  
VIEW NORTH ACROSS EAST FACE- 8/6/20

REMINGTON ST BRIDGE - ABUTMENT 1 WORK  
SIMULATED STONE WORK ON EAST FACE- 8/6/20

A photograph of a construction site for the Remington St Bridge. In the foreground, a large pile of dark grey gravel sits on a dirt and mud surface. To the left, a concrete structure is being reinforced with green steel rebar, which is held in place by wooden forms. A white plastic jug sits on the ground near the rebar. In the background, a construction area is visible with a yellow excavator, various materials, and orange safety fencing. A line of green trees is in the far background under a cloudy sky.
